How to Be a Courteous Birder

- Know the rules of the public lands you are on and follow them.
- Always ask permission before birding on private property.
- Watch carefully for traffic when you pull over.
- Be a good ambassador for birders and remember, you can love something too much. Please do not harass the wildlife.
- A = Abundant: found all over the place, hard to miss
- **C = Common:** easy to find in appropriate habitat with reasonable effort
- **U = Uncommon:** around, but harder to find, might require several trips to find an individual
- **R = Rare:** only found in very specific places or sporadically in the county, can be very hard to find
- O = Occasional: a very rare occurrence, may be only one individual present over many years

I = Nesting: success	full	y nests in McHenr	y Count	y most y	/ears
